ACCESSORIES FOR CYSTOSCOPE

NIDHI Meditech Systems manufactures endourology accessories like accessories for Cystoscope , Resectoscope , Ureteroscope and Nephroscope. All these accessories are manufactured as per ISO 13485-2016 AND CE 1023 standards.

All the endourology accessories made from non corrosive stainless steel alloys. All these alloys selected fulfilled the requirement of biocompatibility and chemical stability according to international harmonised standard ISO 10993. All mechanical connections are of high quality welded and manufactured with fully automatic C.N.C machines for accurate dimensions and measurement. It also passes through very strict quality assurance system as per ISO 13485-2016 and CE 1023.

Wolf comp. bridges are also available.
